FOR IMMEDIATE RELEASE

It's Time To Register For Girl Scouts!
***Over 30 Registration Events hosted throughout the Region during
The Entire Month of September!
First Come, First Served!***

Rhode Island: Throughout the month of September, Girl Scouts of Rhode Island, Inc. will host over 30 Registration Events throughout the region (**dates, times & locations enclosed**). Parents are encouraged to attend an event so that their daughters can be assured a spot in a Girl Scout troop this year! Placement is for new Girl Scouts only and is first come, first served, so *event attendance is critical*.

“All Girl Scouting activities help cultivate confidence, enrich character and develop courage and self-esteem in girls,” says Janet A. Feyler, GSRI’s CEO. “I encourage parents to consider registering their daughters at one of our events this September. Their daughters will make friends and have a blast developing leadership skills that will serve them throughout their lives.”

Parents should be advised that they should *attend a registration event that is taking place in the city/town where they want their daughter’s troop to be based*.

Registration fees are \$25.00 (\$10 for national GSUSA dues plus a \$15 contribution to the local Girl Scout Council).

For more information about Girl Scout Registration Events, visit www.gsri.org or call 1-800-331-0149.
